## Product Description

### 80g 6 Pack Silicone Stretch Lids Durable And Leakproof Storage Solution with smile face

#### Product Description:

Silicone Stretch Lids are air-tight container lids made from high-quality BPA-free silicone. These stretchable covers are designed to wrap around multiple shapes and sizes of containers, and provide an air-tight seal to keep your food fresh. They are transparent and heat resistant up to 230 , and can withstand temperatures as low as -40 , making them suitable for use in both the freezer and microwave. These reusable lids are an ideal replacement for disposable plastic wraps, helping you save money and reduce your environmental impact. Silicone Stretch Lids are a must-have for anyone looking for an easy and efficient way to store food.

#### Applications:

Silicone Stretch Lids - Reusable Sealing Lids, Expandable Bowl Toppers, Flexible Container Caps

Silicone Stretch Lids are designed to provide a secure and air-tight seal for any bowl, container, and even odd shaped items. These lids are reusable, non-toxic, and come in a 6 Pack with sizes ranging from 6.5 to 21 cm in diameter. Made of premium quality food-grade silicone, they are safe for use in the oven, microwave, freezer, dishwasher and refrigerator. With temperatures ranging from -40 to 230 , Silicone Stretch Lids are perfect for all your kitchen and household needs.

Their stretchable silicone construction allows them to fit snugly onto any bowl, container, jar, pot, cup or glass. They also prevent spills or splashes while microwaving or transporting food. Silicone Stretch Lids are easy to use and wash, and with their air-tight seal, they help keep food fresh for longer.

Reusable, non-toxic, and versatile, Silicone Stretch Lids are an ideal solution for storing and preserving food. The lids are also great for covering leftovers, open cans, and even for crafting purposes. Save time and money with Silicone Stretch Lids and make your kitchen more efficient and organized.
